Signature
Parent or Guardian, if athlete is under age of 18

Date

**Return completed form to Track Xplosion Registrar, April Hamilton in person or via email at
trackxplosionregistrar@yahoo.com**

Changing Club Affiliations

Once you have competed for a given local club, you may not compete for another local club for 90 days (if you want to change clubs, you must give written notice to your Association and compete as "unattached" during those 90 days). Each time you compete for a club, you must restart the 90-day unattached period. Once you have served at least 90 days without competing for any club, you may request a club change through the membership chair of your Association.
